GENERAL NEWS

The Little Saints really enjoyed treating their moms at our special "Bring a mom to school" event just before Mothers Day. We hope all the moms enjoyed the morning as much as the children did.

We are getting closer and closer to our recycling goal of 150 bags of recycling , and with only six weeks left of the term, please remember to bring your recycling to school on Thursdays!

We are still collecting loose parts. These can be put into the specially labelled bins placed outside the preschool staffroom. Remember your junk is considered our treasure .

At present we are collecting:

- Old pots and pans
- PVC pipes
- Fabric offcuts

AUTUMN FAMILY FEST NEWS!

5 DAYS TO GO!!!!

We are all excited about this event.

Please remember to buy your games ticket booklets and the magic show tickets (both R30) from the Front Office to prevent delays on the day!

We are looking forward to a wonderful day, full of exciting things to buy, good food and drinks and lots of entertainment.

GENERAL NEWS

PA UPDATE

On Saturday 12th May, the PA hosted a Royal Breakfast in celebration of Mother's Day. 150 ladies were spoilt with fantastic goodie bags and lovely raffle prizes. We would like to thank all our sponsors for their generosity and support as we could not have had this enjoyable morning without their support.

AUTUMN FAMILY FEST NEWS

We are all excited about this event.

We have had an excellent response from vendors in and around our community to sell and showcase their products. We guarantee there will be something of interest to young and old! The Tea Garden and food trucks will keep the hunger at bay and Carluccis will feed the coffee need!

We also have very exciting games planned for the day as well as a petting zoo and a jumping castle.

The MAGIC SHOW will be at 11am.

Ticket booklets for the games and tickets to the MAGIC SHOW are on sale at Front Reception. A Game booklet will cost R30 and will allow your child to play 5 games. Tickets to the Magic show are R 30.00 per person and can be purchased when you purchase a Game Booklet. Space is limited so don't delay.

There will be a school tour at 10am. This will be a perfect opportunity to showcase your child's school to friends and family.

The more the merrier, so be sure to invite friends and family!

Don't miss out on this FUN FILLED event!

Dates to remember

26 May Autumn Family Fest

15 June Father's Day Morning Ring

16 June Youth Day

17 June Father's Day

21 June Parent/Teacher meetings and report collection

22 June End of Term 2

17 July Start of Term 3

More details will be sent out closer to the different events.

GRADE 00 NEWS

Teacher Milena and Teacher Judy were so proud of our Little Lambs and Bunnies for entertaining the moms so well. We all had lots of fun and made some good memories.

For these two weeks, we have been learning all about farming. We have learnt that fruit and vegetables don't come from Pick n' Pay but from the farm and orchards and we have even planted our own mini vegetable garden as well. The children have really enjoyed watching the seeds being planted and then following their progress closely. The Little Lambs and Bunnies were very excited when the first little green shoots appeared! We can't wait to taste the fruits (or rather vegetables) of our labours!

We are really looking forward to our Autumn Family Fest and hope that all the Little Lambs and Bunnies can come!

Baker's Man has started and is a great success. Please remember to send R5.00 to school each Thursday so that our children can buy a treat from the Baker's Man.

GRADE 0 NEWS

The Grade 0s have enjoyed learning about Transport for the last 2 weeks. They now know more about road, rail, air and water transport. Some of their artwork included collaging their own name trains, drawing aeroplanes, colourful busses as well as exciting hot air balloons.

The Bumble Bees and Dragonflies had so much fun entertaining their special Moms during their Mother's Day Ring. They were very excited having their "Super Hero Moms" spend extra time with them. Much time was spent playing a special game, reading a story and doing some creative art with their Moms; they didn't want the time to end. A lovely, precious time was had by all.

The children have also learnt about the number 7, the Pentagon shape as well as the colour grey.

We are all looking forward to the upcoming Autumn Family Fest on the 26 May.

Please remember to buy your Magic Show tickets to avoid any disappointment. Ticket booklets can also be bought ahead of time if it suits you. And don't forget to invite your family and friends to join us for some preschool fun.

GRADE R NEWS

How quickly time is passing! We are halfway through an exciting, busy term.

The Grade Rs have enjoyed learning about insects, bugs and spiders. They have learnt about the life cycle of a butterfly. It is amazing how many differences and similarities there are with bugs. The children had fun using the various bugs in our Data handling in Mathematics.

This week we concentrated on the letter "p". It was wonderful to hear the different words starting with p that the children could find. They are also improving their writing skills and letter formations.

We are looking forward to our outing to the Planetarium next week. The children are so excited and are counting the sleeps to our outing day.

Till then, keep reading to your little ones, keep warm and continue to pray for rain.
